

August Newsletter

Sweet Summer Days in 2010!

We are entering our last month of our summer curriculum!

Upcoming Themes:

August 2nd-6th- Getting to Know You

August 9th-13th - A Family Reunion

August 16th-20th - Back to School

August 23rd-27th - Anything Goes!

This month water play will be on Tuesday, August 3rd. Don't forget your child's water shoes, towel, and swim wear!

Thank You to everyone who responded to our surveys. We utilize your comments by looking at what areas we need improvement in. These surveys help us to grow and improve to be the best that

we can.

We read several families were concerned with the availability of their own personal copy of the menu. We always have a copy up front for you and a current menu is posted on our website. Please let us know if you have trouble obtaining one.

We also read that a few families were concerned with the lack of receiving emails about upcoming events. Each classroom sends out their own calendar and newsletter and it is placed in your child's folder with activities noted each month. In addition several

classrooms send out reminders via email but this is on a per class preference and is not mandatory. Some of us are not as computer savvy as others!!

We hope that everyone has a wonderful summer! Stop by up front if you have any questions or concerns!

Additional Information:

The transition week went very well and now everyone is in their new classroom.

You will receive a welcome packet, if you have not already, that contains all of the information that you will need for your

child's new classroom.

We are also asking that you give your new class your current email address so they can email you important information or reminders when necessary. We will not give your email information out to anyone,

it is purely for us!

Also, this is a great time to update any information that we may need such as new contact numbers, shot records, etc. that we keep on file in the front.
